SIR,

I have the honor to bring to the notice of Government that the Deputy and Assistant Comptrollers of my office are not included in the list of " exempted " Officers in the rules under the Mysore - Arms Regulation, while Officers in other Departments of similar and in some cases lower status and pay find a place in that list. Some of these Officers e.g., Assistant and Under Secretaries to Government, are Stationary Officers having no touring work. Further, - Members of the Representative Assembly and District Boards are also given exemption under these rules. The omission to include the - names of Officers of this Department is probably due to the fact that they were regarded as having very little touring work to perform. This might have been the case formerly. At present, however, several officers of my department are always to be found touring - about the State, inspecting Public Works and Railway Divisional - Offices, Municipal and Local Board Offices, Civil Courts, Forest Offices, &c., By their position and status they also deserve to be granted exemption. In these circumstances, I have the honor to - suggest that Deputy and Assistant Comptrollers may be exempted under

the

the Arms Regulation.

I have the honor to be,

Sir,

Your most obedient servant,
